R-33. Dispositive Motions

The arbitrator may allow the filing of and make rulings upon a dispositive motion only if the arbitrator determines that the moving party has shown that the motion is likely to succeed and dispose of or narrow the issues in the case.

R-34. Evidence

- (a) The parties may offer such evidence as is relevant and material to the dispute and shall produce such evidence as the arbitrator may deem necessary to an understanding and determination of the dispute. Conformity to legal rules of evidence shall not be necessary. All evidence shall be taken in the presence of all of the arbitrators and all of the parties, except where any of the parties is absent, in default, or has waived the right to be present.
- (b) The arbitrator shall determine the admissibility, relevance, and materiality of the evidence offered and may exclude evidence deemed by the arbitrator to be cumulative or irrelevant.
- (c) The arbitrator shall take into account applicable principles of legal privilege, such as those involving the confidentiality of communications between a lawyer and client.
- (d) An arbitrator or other person authorized by law to subpoena witnesses or documents may do so upon the request of any party or independently.

R-35. Evidence by Written Statements and Post-Hearing Filing of Documents or Other Evidence

- (a) At a date agreed upon by the parties or ordered by the arbitrator, the parties shall give written notice for any witness or expert witness who has provided a written witness statement to appear in person at the arbitration hearing for examination. If such notice is given, and the witness fails to appear, the arbitrator may disregard the written witness statement and/or expert report of the witness or make such other order as the arbitrator may consider to be just and reasonable.
- (b) If a witness whose testimony is represented by a party to be essential is unable or unwilling to testify at the hearing, either in person or through electronic or other means, either party may request that the arbitrator order the witness to appear in person for examination before the arbitrator at a time and location where the witness is willing and able to appear voluntarily or can legally be compelled to do so. Any such order may be conditioned upon payment by the requesting party of all reasonable costs associated with such examination.
- (c) If the parties agree or the arbitrator directs that documents or other evidence be submitted to the arbitrator after the hearing, the documents or other evidence shall be filed with the AAA for transmission to the arbitrator. All parties shall be afforded an opportunity to examine and respond to such documents or other evidence.

- (c) Unless otherwise instructed by the AAA or by the arbitrator, any documents submitted by any party to the AAA or to the arbitrator shall simultaneously be provided to the other party or parties to the arbitration.
- (d) Unless otherwise instructed by the AAA or by the arbitrator, all written communications made by any party to the AAA or to the arbitrator shall simultaneously be provided to the other party or parties to the arbitration.
- (e) Failure to provide the other party with copies of communications made to the AAA or to the arbitrator may prevent the AAA or the arbitrator from acting on any requests or objections contained therein.
- (f) The AAA may direct that any oral or written communications that are sent by a party or their representative shall be sent in a particular manner. The failure of a party or their representative to do so may result in the AAA's refusal to consider the issue raised in the communication.

R-44. Majority Decision

- (a) When the panel consists of more than one arbitrator, unless required by law or by the arbitration agreement or section (b) of this rule, a majority of the arbitrators must make all decisions.
- (b) Where there is a panel of three arbitrators, absent an objection of a party or another member of the panel, the chairperson of the panel is authorized to resolve any disputes related to the exchange of information or procedural matters without the need to consult the full panel.

R-45. Time of Award

The award shall be made promptly by the arbitrator and, unless otherwise agreed by the parties or specified by law, no later than 30 calendar days from the date of closing the hearing, or, if oral hearings have been waived, from the due date set for receipt of the parties' final statements and proofs.

R-46. Form of Award

- (a) Any award shall be in writing and signed by a majority of the arbitrators. It shall be executed in the form and manner required by law.
- (b) The arbitrator need not render a reasoned award unless the parties request such an award in writing prior to appointment of the arbitrator or unless the arbitrator determines that a reasoned award is appropriate.

L-3. Management of Proceedings

- (a) The arbitrator shall take such steps as deemed necessary or desirable to avoid delay and to achieve a fair, speedy and cost-effective resolution of a Large, Complex Commercial Dispute.
- (b) As promptly as practicable after the selection of the arbitrator(s), a preliminary hearing shall be scheduled in accordance with sections P-1 and P-2 of these rules.
- (c) The parties shall exchange copies of all exhibits they intend to submit at the hearing at least 10 calendar days prior to the hearing unless the arbitrator(s) determines otherwise.
- (d) The parties and the arbitrator(s) shall address issues pertaining to the pre-hearing exchange and production of information in accordance with rule R-22 of the AAA Commercial Rules, and the arbitrator's determinations on such issues shall be included within the Scheduling and Procedure Order.
- (e) The arbitrator, or any single member of the arbitration tribunal, shall be authorized to resolve any disputes concerning the pre-hearing exchange and production of documents and information by any reasonable means within his discretion, including, without limitation, the issuance of orders set forth in rules R-22 and R-23 of the AAA Commercial Rules.
- (f) In exceptional cases, at the discretion of the arbitrator, upon good cause shown and consistent with the expedited nature of arbitration, the arbitrator may order depositions to obtain the testimony of a person who may possess information determined by the arbitrator to be relevant and material to the outcome of the case. The arbitrator may allocate the cost of taking such a deposition.
- (g) Generally, hearings will be scheduled on consecutive days or in blocks of consecutive days in order to maximize efficiency and minimize costs.
